Graceful, winged creatures of folklore amaze and enchant

**SCOTT
ALTMANN**

This magical mix of winged fairies, the guardians of nature, is a wonder to behold. Dressed in exquisite designs, embellished with ruffles, leaves, and blossoms, spellbinding sprites flutter across the pages of this beautifully illustrated collection. A host of cats, squirrels, birds, and other animal friends join in the fun. The only way to improve the scenes is to add your own colors with paint or crayons!
